Our Mission

The League of Women Voters of Metropolitan Columbus encourages informed and active participation in government, works to increase understanding of major public policy issues and influences public policy through education and advocacy.

Our Challenge

The League believes that an informed public is essential to good government. However, it's not easy for citizens to sort out the sound-bite journalism, attack ads, media consultants, and special interest groups that sometimes seem to be the only voices discussing important issues. The League researches issues independently and provides nonpartisan, unbiased information to voters, so voters in turn can play an active role in solid, issue-oriented politics—whether at the local, state, or national level.

Membership includes:

As a member of the League of Women Voters, you will join hundreds of women and men across central Ohio and more than 150,000 members across the country who care about making our society more civil and democratic and our government more responsive and accountable.

Beyond just being a part of making democracy work, you will receive many member benefits:

- ★ Membership in the League of Women Voters of the United States
- ★ Membership in the League of Women Voters of Ohio
- ★ Invitations to general membership meetings, issues forums, town hall meetings, and candidate forums in central Ohio, as well as other League-sponsored events such as our Holiday Auction and Democracy in Action
- ★ Subscriptions to the *National Voter* magazine and the *Ohio Voter* and *Metropolitan Columbus Voter* newsletters
- ★ The Voter Information Bulletin every General Election
- ★ The Central Ohio Civic Directory
